Profile

I am an industrial design engineering student looking for a strategic design internship in the automotive industry. I am a very motivated and goal-oriented person. During projects, I really like to create positive energy in my team. I always try to relate the small steps in the process to the bigger context to get the best quality end-result.

Current education

2018 – present | TU Delft

Industrial Design Engineering Bachelor

Relevant courses <ul style="list-style-type: none">Minor People in TransitDesigning Connected ExperiencesStrategic Product InnovationDesign Visualization	Average grade Bachelor 8,2 /10
--	---

Honours Degree

I evaluated and improved a strategic design method for cardesigners

Extracurricular Activities

2020-2021 | Epoch

Co-founder, Team Strategist, PR-manager

The first AI-dedicated TU Delft Dreamteam

I built part of the team structure, designed the visual identity of the team, wrote, designed and presented the presentations and edited them into attractive online content for our website and social media.
